

TERMS OF USE

Intellectual Property

This Site is owned by Digipix Imaging Studio. All of the content featured or displayed on the Site, including, but not limited to, still images, text, pictorials, graphic designs, audio recordings, multimedia presentations, including web-based programs ("the Source Content") is owned and or licensed by Digipix Imaging Studio. Content owned by third parties are subject to protections similar to those set forth in these Terms of Use.

Pursuant to the copyright and trademark laws of the United States, you do agree:

- That you may only download Content that the Digipix Imaging Studio designates as offered for download to any personal computer as a single copy of any content for personal and noncommercial use.
- Not to reproduce, distribute, modify, post on another web site or sell any content without a written agreement with Digipix Imaging Studio.
- To maintain all copyrights or other embedded identifications in or attached to any 'Source Content'. This 'Source Content' may be audio, picture or other digital content.
- To refrain from "grabbing" or copying any portion of the Site.
- Digipix Imaging Studio will conform to the provisions of the "Limitations on liability relating to material online" 17 U.S.C. Sec 512.
- Pursuant to Title 17, United States Code, Section 512, notifications of claimed copyright infringement on this Site should be sent to this Sites designated agent. If you believe that your work has been used in a way that may constitute copyright infringement, please provide Digipix Imaging Studio's designated agent the following information:
 - The name of the copyright owner.
 - A description of the copyrighted work in question.
 - The location of the infringed material on the Site.
 - Your address, telephone number, and email address.
 - Your signed statement indicating that the complaining party has a good faith belief that the disputed use is not authorized by the copyright owner, its agent or the law.
 - A statement that the provided information in your notice is accurate and that you are the copyright owner or authorized agent to act on the copyright owner's behalf.

Digipix Imaging Studio's agent for notice is the Studio's Director.

Liability

All material, information and digital concepts posted on this Site are provided to you "as you see it" without any warranties. You agree that you will evaluate, accept any risks associated with use of the Site, to include but not limited to those risks associated with reliance on the accuracy of color, relative size or other content that is either written or imaged.

The appearance of **external hyperlinks** does not constitute endorsement by Digipix Imaging Studio and does not constitute endorsement of views expressed by these linked Web sites; moreover Digipix Imaging Studio does not verify thoughtfulness of content or completeness of the content nor do we endorse or take responsibility for others' accuracy and quality on their sites.

Visitor Conduct

All site visitors shall use the Site for lawful purposes only. You agree to no invasion of privacy and to forfeit all rights that may encourage criminal conduct or that may spawn a civil action. Digipix Imaging Studio reserves the right to refuse access to its Site for any reason, including a reasonable belief that the user in question is involved in dubious activities. Any attempt by persons to deliberately damage, disable, impair normal operations of this Site, or otherwise interfere with the public's use of the Site, is a violation of criminal and civil laws. Should such an attempt be made, Digipix Imaging Studio will pursue their right to seek damages from any such persons or organization to the fullest extent permitted by the law. You agree to assume full and sole responsibility for your actions while visiting this Site.

Your responsibility

You agree to guard, hold faultless and defend Digipix Imaging Studio, the studio's agents and third party providers from all losses, damages and costs resulting from violations of these terms. Your use and browsing of the Site is at your risk. If you are dissatisfied with any of the materials contained in the Site, with the quality of service or other content herein, or with these Terms, your only solution is to immediately discontinue accessing and using this Site.

PRIVACY POLICY

Digipix Imaging Studio will enforce all laws regarding electronic pirating of customer or visitors personal information. Any questions you deem relevant to this policy should be directed to the Digipix Imaging Studio's Studio Director.

Marketing Use

The information you have provided to Digipix Imaging Studio from use of our Site will not be used for marketing by Digipix Imaging Studio nor will it be supplied to others.

Online Advertising

We do not have second party companies or other companies deliver interactive on-line advertising such as banner ads or pop-ups. If you encounter such an event, please take notes and email your notes to the studio director at your earliest convince. The director is reachable at Studio.director@digipiximagingstudio.com .

Collected information

You can visit our Web site ("the Site") on the Internet without identifying yourself and without giving us any personal information about yourself. There can be times that require getting information from you; however these times only occur during requests from your personal actions. You choose to give us personal information in some situations. You may want to register a product and give us your Name, address and email address. You may desire to make an online purchase through a secure server connection. No marketing strategies shall be made from your personal information. We implement suitable measures and procedures to insure safe guarding your identity. We do not plant Malware or Adaware on your computer. We use only name know providers to supply internet service to the servers and world acclaimed credit transactions providers for all online purchase transactions.

- ❖ **Passive Information Collection** — Is anonymous data that a Web site uses to diagnose problems on the sites' servers, help to administer the site, and to help improve the quality of service of the Web Site pages. Information collected may be your IP address or domain name. This type of information is collected to identify service problems and other quality-of-service complaints.
- ❖ **Identification Information Collection**
If you register a product on the site, you will enter personal information into the registration form. The information you provided is maintained and kept for identifications reasons. You need not register your purchased products, however; proof of purchase must be determined before returning the defective CD ROM. If at any time you desire having your information removed from the database, please email the Studio Director.

Cookies and Other Technologies

We do not collect cookies. We sometimes collect non-identifiable information from your visits to Our Site to help us provide a better quality-of-service. We keep track of the Networks from which people visit, and we also measure visitor frequency to our Site. These information collections are performed at the server site. This information collection does not identify you.

Questions

If you have a question, direct your questions to the Studio Director.
